

 Entelios kraftkommentar uke 33 

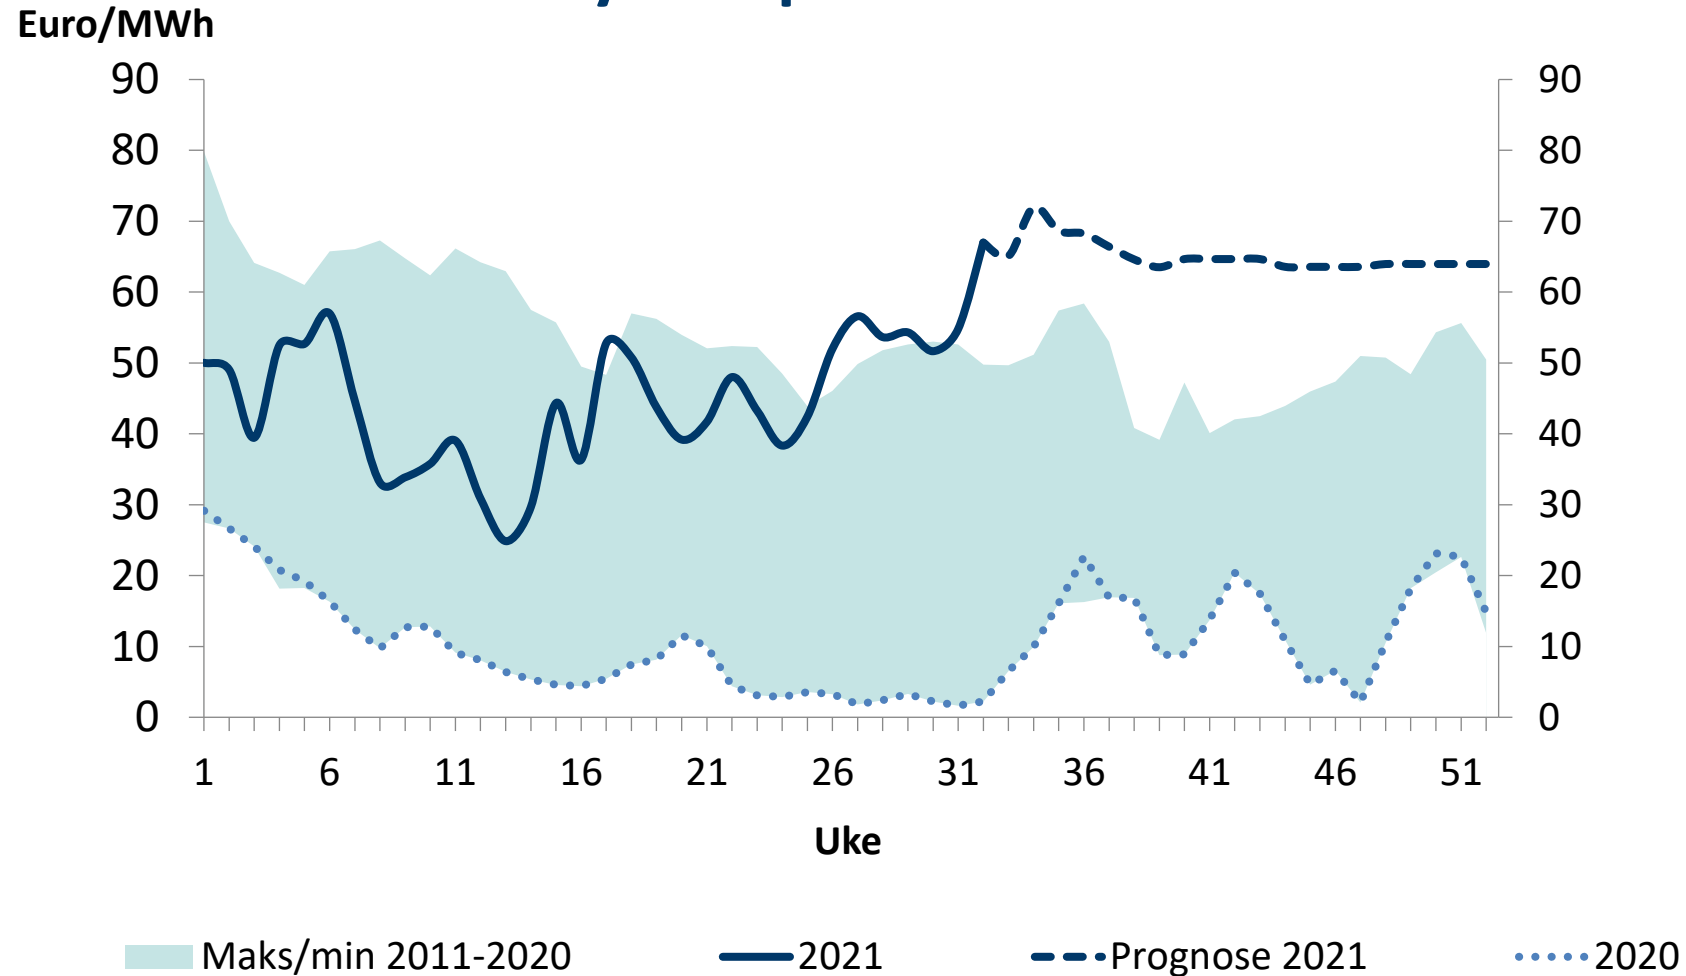

Storflom i Sverige disse dager – men tørt i prognosene

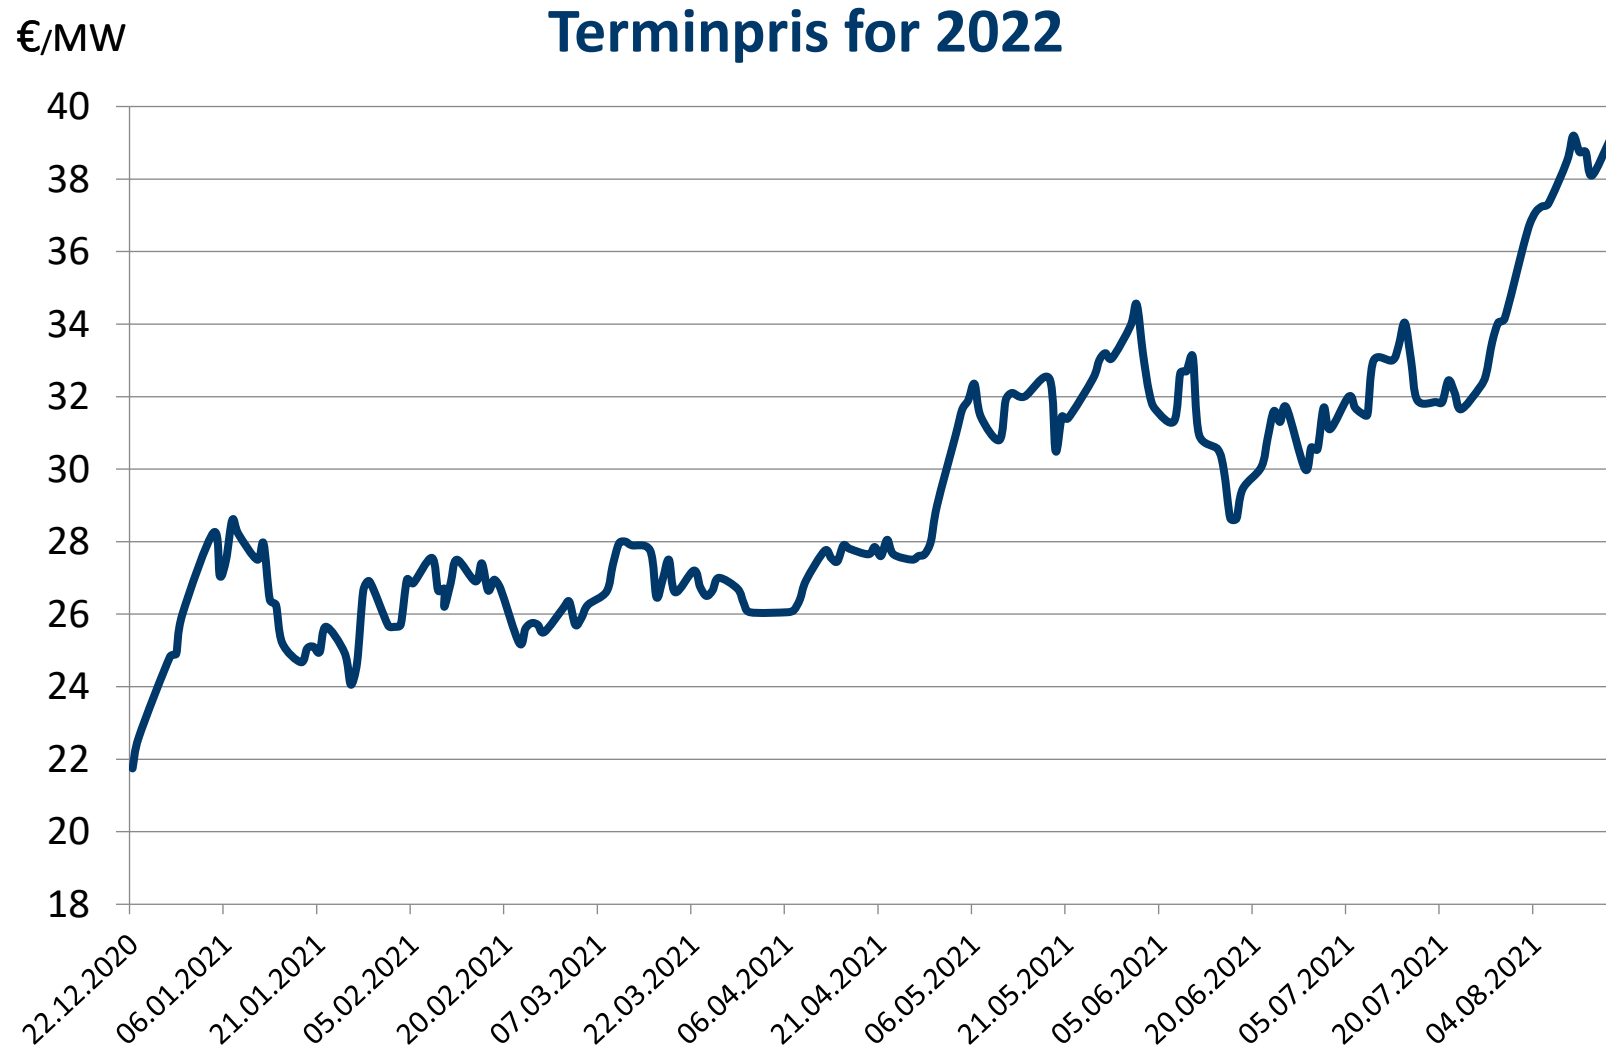

2021 kan sette ny prisrekord

Systempris Norden

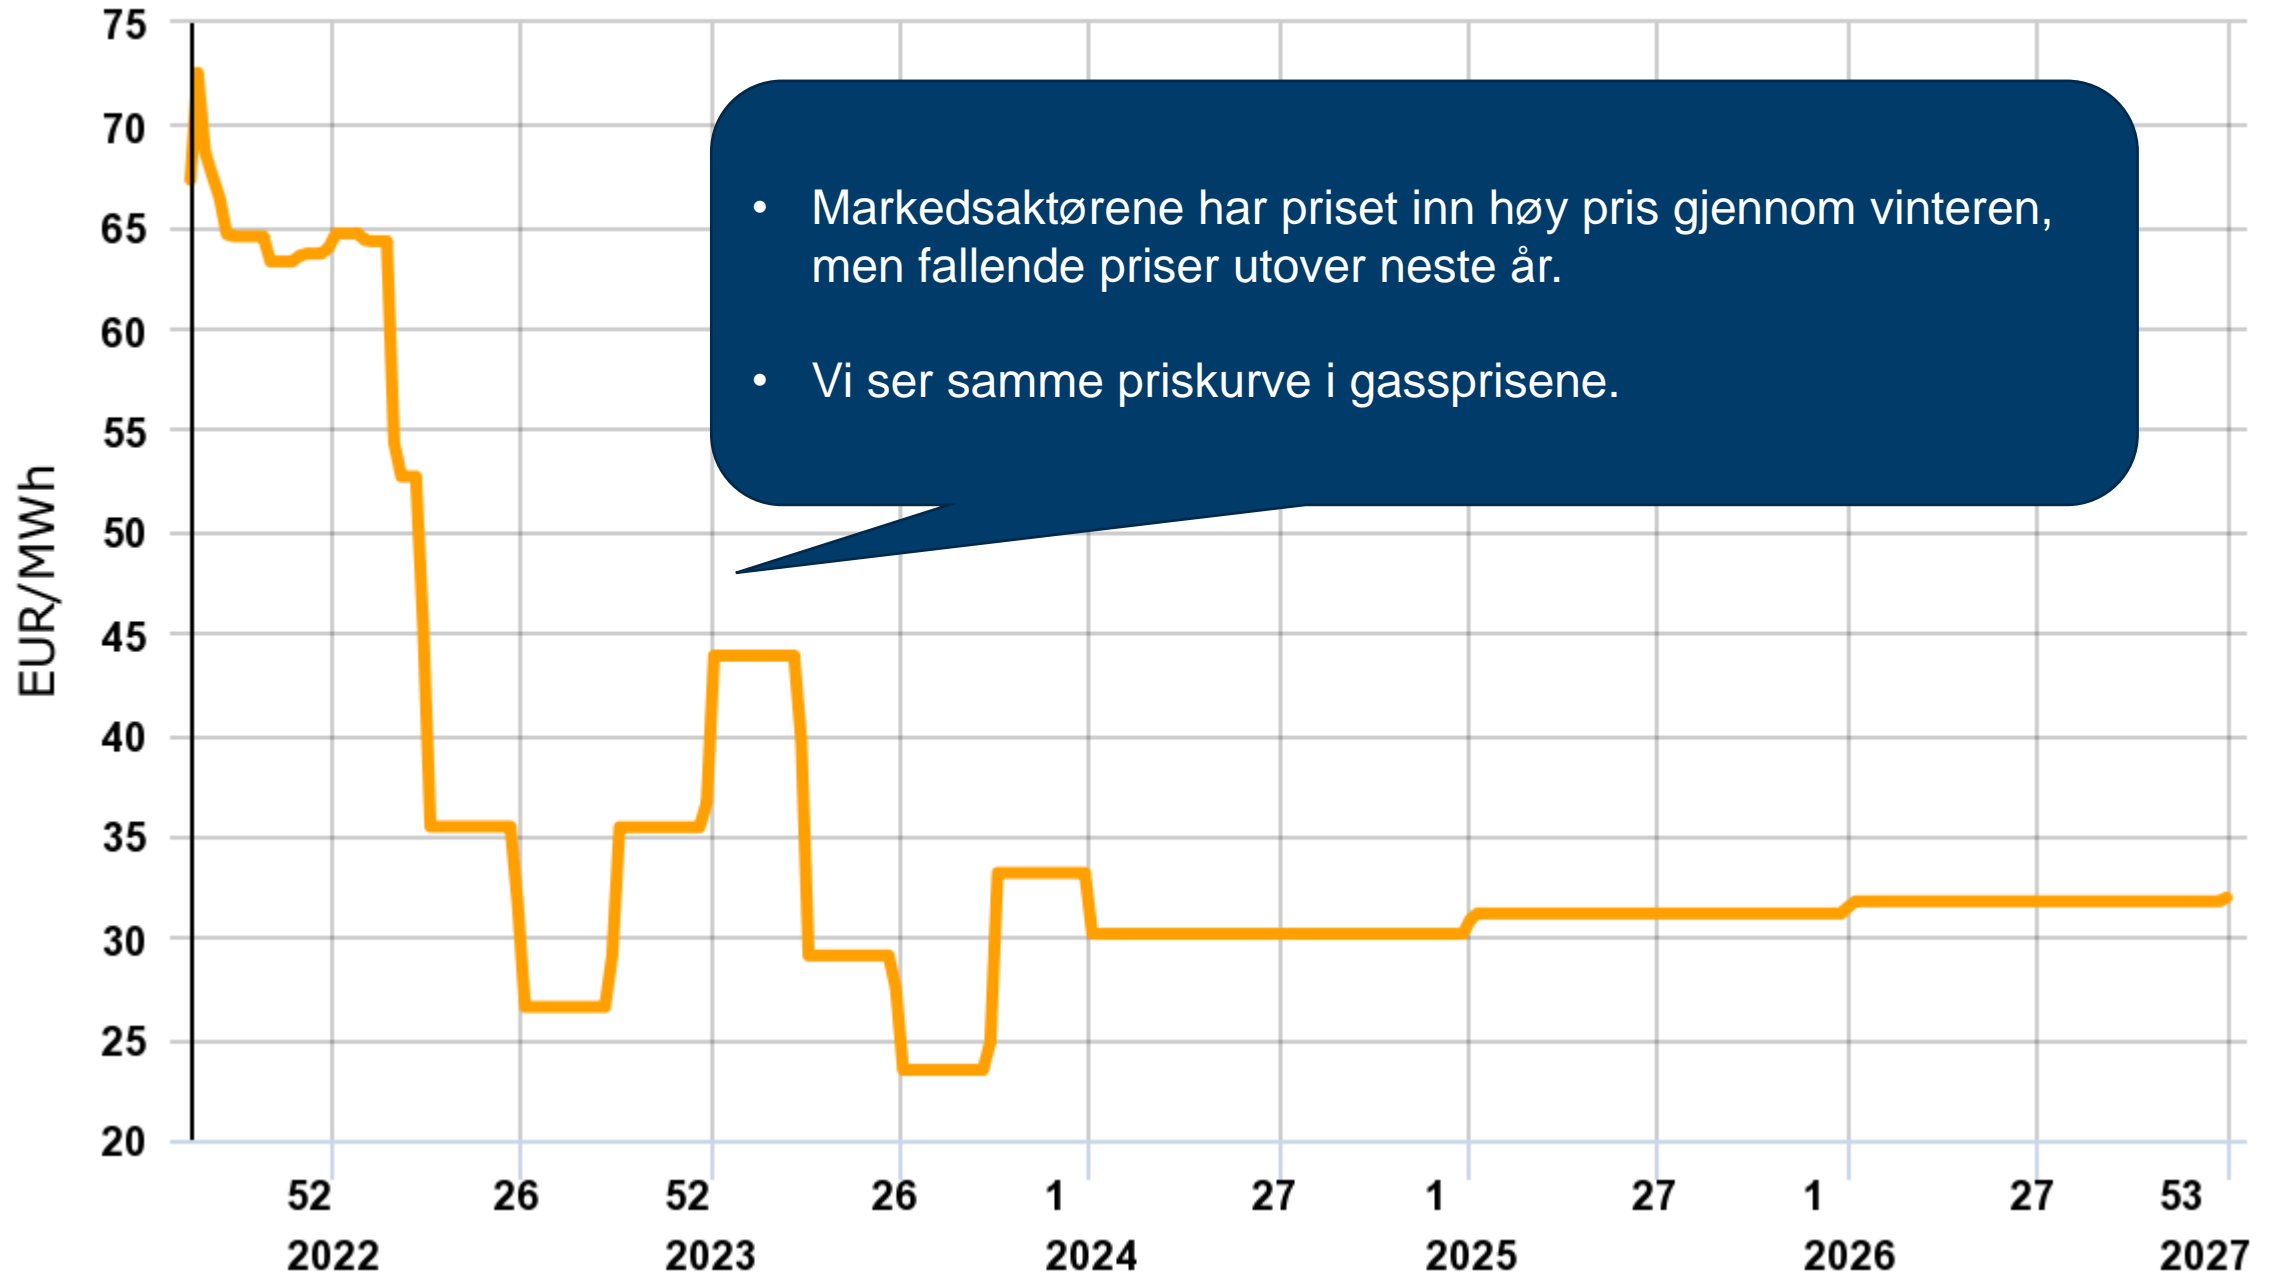

Terminprisene tangerer forrige ukes toppnoteringer

Markedspriser og prognoser

- Markedsaktørene har priset inn høy pris gjennom vinteren, men fallende priser utover neste år.
- Vi ser samme priskurve i gassprisene.
